Profile: X works full-time in the Travel Industry and X is in property. They have two children: X was born in 1995 and X was born in 1993. X lives in the house and X is at Nottingham University. X and X are a very friendly and welcoming couple who have both travelled extensively. They enjoy an active life and love sport, travel, walking, music and wildlife. Students will find their home warm and friendly. Vegetarians are welcome.

Home: They live in an Edwardian terrace house (built in 1870) with a garden. There is a large dining area where the students would eat with the family. Students are also welcome to join the family in the sitting room. The student room is a good size with private bathroom. There is lots of cupboard space and a desk for students to study. Wireless Connection is available.

Area: Very good connections via rail into London. There is also a night bus, which runs through the night (N3). The area is very close to shops and to outdoor space.

Pets: 1 Labrador dog

Smokers: must smoke outside
